Hi Don, The car is running great and is an absolute blast to drive. I want to thank you, John, Jack and everyone else that played a part in my car buying experience. I really couldn't have asked for a better car or better customer service. From start to finish, everyone at Euromasters CC was helpful, responsive, and very informative. As you know, my car search was pointed in a completely different direction before I came into your showroom. After my first test-drive of the 200k+ mile Targa I was hooked and knew exactly what I wanted. I had initially planned on buying an '87-'89 coupe (for the G50 trans.) but after seeing the work your guys had put into this (now my) car there was no way I could pass it up. I've adjusted from the '04 BMW and love driving my Porsche. I'll see you guys when I hit 1,000 miles. Thanks again and feel free to use the below photos for advertising/ any purpose you'd like. Sincerely, Matthew T.
