EUROMASTERS CLASSIC CARS:

Just want you folks to know that I had a tour of your fine shop a few weeks ago.

It is by far the cleanest Porsche shop I have ever seen anywhere, anytime! Also, I have never seen such perfect examples of older 911's. I owned a 356 for 10 years and I will buy my next car from you when the time is right. I have always liked the Boxster since it came out in 97 but dang, a 911 is a Porsche!

Thank you very much for your great website also, my number one bookmark
