RE: LYNN'S '83 PORSCHE 911SC TARGA

Dear John and my EuroMaster's Family,

Wow! It's been two months since I purchased my 1983 Porsche 911SC Targa, and drove it across the country to Nashville, TN...with nary a hiccough!

It makes me smile everyday. The more I drive it, the more I am amazed at the quality of workmanship on my car. The engine purrs like the wildcat it is, and it is SO clean!! I guess it's because you could eat your lunch off the service area floor!

Your professionals certainly did a wonderful job with the paint, the interior, the comfortable seats, the leather accoutrements, and the tremendous attention to detail shown by everyone of your employees.

If you ever get to TuneTown, drop by the studio and we'll put you in front of a mic and have some fun. Until then, I'll see you on the road. I'll be the little red taillights you see WAY in front of you on the horizon.

Sincerely,

Lynn Gillespie Chater, Songwriter
